INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Re: Patent Application No. 09/815,898  
Filed: 03/22/01

Inventor/Applicant: Brad A. Armstrong

Title: REMOTE CONTROLLER WITH ANALOG PRESSURE SENSOR(S)

Dear Sir:

This Information Disclosure Statement is being filed within 3 months of the filing of the above referenced patent Application and prior to the mailing of a first office action on the merits of the Application, and therefore no fee payment is required.

In addition to all of the references / disclosures described in the Information Disclosure Statement filed with the filing of the Application, I am submitting herewith two additional references / disclosures to be considered as prior art. The two references / disclosures are believed related to one another, and are

U.S. Patent 5,889,236 and Patent Number WO9718508 which makes a priority claim to the application filing date of the U.S. Patent 5,889,236.

These two disclosures are not seen to teach the present invention nor to fairly suggest the present invention, but should be made of record as having been reviewed as prior art in the course of examining the instant Application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Thank you for your assistance.

Respectfully,

*Brad A. Armstrong*
